

SUMMER SCHOOL CLASS DESCRIPTIONS 2021 *(revised times)*

JUNIOR & SENIOR HIGH ACADEMICS

CLASS	GRADE	SEMESTER	TIME	CLASS DETAILS
English Grammar & Literature <small>Academic Class</small>	7th–8th	Semester 1 or 2	10:05 AM–12:30 PM	Junior-High English instruction will develop the student’s grammar and writing skills. This class also includes a literary project. Students repeating English to fulfill a graduation requirement will also retake the appropriate semester of literature tests. A full year of English is available for current Faith Baptist students only. Students cannot miss more than three days of class if trying to receive school credit.
	9th–12th	Semester 1 or 2	7:30 AM–9:55 AM	Senior-High English instruction will develop the student’s advanced grammar and writing skills, and it will include a literary project. Students repeating English to fulfill a graduation requirement will also retake the appropriate semester of literature tests. A full year of English is available for current Faith Baptist students only. Students cannot miss more than three days of class if trying to receive credit.
World History <small>Academic Class</small>	7th & 9th	Semester 1	7:30 AM–9:55 AM	World History covers the history and geography of the Western World. This course provides credit for one or two semesters of world history. Faith Baptist students who would like a study hall during the school year may take a semester or more of history and get ahead. Students cannot miss more than three days of class if trying to receive credit.
		Semester 2	10:05 AM–12:30 PM	
U.S. History <small>Academic Class</small>	8th & 11th	Semester 1	7:30 AM–9:55 AM	U.S. History covers history of the United States from its founding until the present day. This course provides credit for one or two semesters of world history. Faith Baptist students who would like a study hall during the school year may take a semester or more of history and get ahead. Students cannot miss more than three days of class if trying to receive credit.
		Semester 2	10:05 AM–12:30 PM	
Pre-Algebra <small>Academic Class</small>	7th–12th	Semester 1 or 2	7:30 AM–9:55 AM	Pre-Algebra students will study patterns of numbers, operations, and variables; simplifying expressions; solving equations; graphing linear equations; ratio/proportions as well as other topics. Students cannot miss more than three days of class if trying to receive credit. (Current Faith Baptist students entering 7th grade who need to make up 6th-Grade Math must enroll in this class, <i>not</i> 6th-Grade Math. A full year of pre-algebra is not available.)
Algebra 1 <small>Academic Class</small>	7th–12th	Semester 1	7:55 AM–9:55 AM	Algebra I students will study real numbers, inequalities, factoring, polynomials, linear and quadratic equations, equations, and graphs as well as other topics. Students may take either semester, but not both without administrative approval. Students cannot miss more than three days of class if trying to receive credit. (A full year of Algebra 1 is not available except for current Faith Baptist students who meet certain requirements and have approval of instructor and principal. 6th-Grade students entering 7th-grade may take first-semester
		Semester 2	10:05 AM–12:30 PM	

Algebra I if they have successfully met the requirements for Algebra I in 7th grade or they have met the requirements to attempt placement in Algebra I by summer school.)

Geometry	8th–12th	Semester 1 or 2	10:05 AM– 12:30 PM	<p>In Geometry points, lines, and planes will be analyzed to develop geometrical reasoning and proofs. Triangular and various polygonal shapes will be compared for congruence and similarity. Circles and polygons will be included in computations of area, similarity, and congruence. Solid geometry and analysis of planar and spatial loci will complete the study with some computations in probability. Students may take either semester, but not both without administrative approval.</p> <p>(Prerequisite: passing grade in Algebra 1) Students cannot miss more than three days of class if trying to receive credit. (A full year of Geometry is not available except for current Faith Baptist students who meet specific academic requirements and with approval of instructor and principal.)</p>

--	--	--	--	--

Algebra 2	7th–12th	Semester 1 or 2	Available through the FBS Private Tutoring	<p>Algebra 2 students will receive a solid foundation of basic algebraic skills and introductory trigonometry. In the first semester, the students will analyze equations and inequalities, graph linear relations and functions, solve systems of linear equations and inequalities, use matrices, explore polynomials and radical expressions, and explore quadratic functions and inequalities. Second semester entails analyzing conic sections, exploring polynomial functions, exploring rational expressions, exploring exponential and logarithmic functions, exploring trigonometric functions, and using trigonometric graphs and identities. (Prerequisite: passing grade in Algebra 1 and Geometry) Students may take either semester, but not both without administrative approval. Offered through private tutoring only.</p>
------------------	----------	-----------------	---	---

Honors Math Analysis/ Trigonometry	10th	Semester 1	TBA	<p>Requirements: (1) Student must have earned an “A” in Algebra II. (2) Student must be re-enrolled in Faith Baptist for fall 2022. (3) Student must be entering 10th-grade in the fall of 2022.</p>
---	------	------------	-----	--

Bible Home Study	7th–12th	Semester 1 or 2	Home Bible Study	<p>Please contact the Administration about the Home Bible Study option for making up failing grades in Faith Baptist Bible classes.</p>
-------------------------	----------	-----------------	---------------------	---

Spanish 1 or 2	9th–12th	Semester 1 or 2	Private Tutoring	<p>Offered through private tutoring only for current Faith Baptist students making up a low grade.</p>
